## Drop and Go Agreement

Is your closet bulging at the seams with beautiful clothing, shoes, and accessories? Consider consigning with Art.i.fact! **You can bring up to 15 items Monday through Friday** on a “drop and run” basis, which means you simply fill out the information below, sign a consignment agreement (if you aren’t a current consignor), and leave it with your items. We’ll look over your items and call you to pick up any returns.

**Once you’ve been called to retrieve your items, you must pick up within three days. Items left longer will be donated to charity.**

We look for clothing and accessories that reflect current seasons. In addition, items must be:

- Clean, pressed, and in ready-to-wear condition
- Free of stains
- Have working zippers and all buttons in place
- Free of holes or ripped seams
- Free of odors, including cigarettes, pet odor, and moth balls
